

## Using the Recommended HCI Textbooks

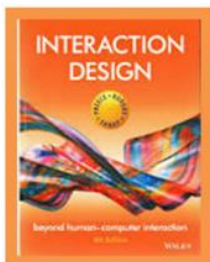

The following books are recommended for the course. This is how and where each textbook will be utilized. There should also be one library copy of each on reserve. It might be a good idea for each project team to have at least one copy of each book.

### Designing the User Interface

Chapter 1, pgs 1-22 (1.1 - 1.3)	Lesson 2: Usability
Chapter 6, Chapter 7 (7.1 - 7.3), Chapter 8	Lesson 3: Interfaces and Interaction Styles
Chapter 3: (3.3 – 3.4)	Lesson 4: The Design Process
Chapter 8: Section 8.3.5	Lesson 6: Assessment
Chapter 13	Lesson 7: Recent Advances in HCI
Chapter 12, 14	Lesson 8: Design Topics

### Interaction Design

Chapter 5: Sections 5.3 and 5.4 (available online)	Lesson 1: Cognitive Psychology & Human Factor
Chapter 4 (available online)	Lesson 3: Interfaces and Interaction Styles
Chapter 7	Lesson 4: The Design Process
Chapter 8, 9, 10, 11	Lesson 5: The Development Process
